# RAIDER 4X4 LTAV

Chassis:	RAM 5500, LHD	<b>Axles/Suspension</b>	<b>Vehicle Protection</b>
Fuel Capacity:	197 + 83 L	Reinforced rigid axles on coil (front) and leaf (rear) springs with shock absorbers and sway bars	Upper Body: STANAG 4569 Level 1, BS EN 1522 FB7 (optional)
Engine:	320 HP, Turbo-diesel 6.7L, i6		Window Glass: STANAG 4569 Level 1, BS EN 1522 BR7 (optional)
Seating Capacity:	2+8		Blast Protection: STANAG 4569 Level 1a, 1b
Transmission:	Automatic	<b>Wheels</b>	
Drive:	4x4 Part Time	335/80 R20 Off-road tires on military steel wheel rims with composite inserts	
Curb Weight:	8,700 kg		
Payload:	1,300 kg		

**STARK MOTORS** presents the **RAIDER 4x4 LTAV** (Light Tactical Armored Vehicle), a cutting-edge solution designed for modern tactical missions requiring swift and decisive action. Built for versatility and resilience, the RAIDER excels in demanding operations, providing unmatched performance for law enforcement and military teams.

## KEY FEATURES

- **Versatile Tactical Mobility:** Designed for urban and suburban deployments, the RAIDER 4x4 is equipped with a high-performance engine that ensures optimal power and reliability, even in the most challenging environments. Its automatic transmission, combined with enhanced maneuverability, makes it ideal for fast-paced missions requiring rapid response and precision handling.
- **Advanced Tactical Breaching Capabilities:** The RAIDER can be optionally fitted with a hydraulically operated breaching ram, specially engineered by **STARK MOTORS** for Special Forces and SWAT teams. This powerful feature is ideal for counter-terror and hostage rescue missions, enabling efficient breaching of obstacles such as doors, windows, and walls, ensuring quick entry in high-risk operations.
- **Enhanced Operational Flexibility:** With its rugged design and customizable configurations, the RAIDER is built to adapt to a variety of mission profiles. Its high power-to-weight ratio and durable construction make it capable of overcoming complex tactical scenarios with ease.
- **Superior Protection and Durability:** Designed to withstand tough conditions, the RAIDER ensures reliable performance in extreme climate environments. Its reinforced structure and advanced systems provide the necessary protection for mission-critical situations.

The **RAIDER 4x4 LTAV** is an essential asset for tactical teams, offering unmatched speed, protection, and operational flexibility to achieve success in demanding missions.
