The **STORM 4x4 LAMPV** (Light Armored Multi-Purpose Vehicle) by **STARK MOTORS** is designed for SWAT teams, law enforcement, border patrol, and private security operations. This compact yet robust vehicle ensures secure transport for up to 8 passengers, offering advanced protection and mobility for urban and rural missions.

## KEY FEATURES

- **BS EN B6 protection level:** All-around armoring of the passenger compartment and engine bay, ensuring safety from ballistic threats.
- **Heavy-duty upgrades:** Large off-road wheels with special composite inserts, reinforced suspension, clutch and brakes components for reliability in tough conditions.
- **Special equipment:** Equipped with **LED strobe lights**, a **siren/PA system**, and **LED searchlights** for enhanced operational readiness.
- **Advanced dashboard:** military style steel dashboard with additional custom 7-inch touch screen display for vital vehicle data.
- **Military-grade seating:** Fitted with 4-point safety belts for driver, commander, and crew, along with anti-slip flooring for additional safety.
- **Turret and fire suppression:** Options for an **electric or manual turret**, **gun racks**, and an **automatic fire suppression system** for added safety and combat effectiveness.

The **STORM 4x4 LAMPV** combines compact size, high-level protection, and customizable features, making it ideal for high-risk operations. It's the perfect solution for agencies seeking a versatile, durable, and reliable armored vehicle.
